ASSIGNMENT

WHEREAS, We, George R. Pettit of 6232 Bret Hills Drive, Paradise Valley, Arizona 85253 and Robin K. Pettit, 11814 N. Vista del Oro, Fort McDowell, Arizona 85264 (herein referred to collectively as "ASSIGNORS") have invented certain new and useful improvements entitled "THERAPEUTIC COMPOSITIONS EFFECTIVE AGAINST GRAM POSITIVE BACTERIA", described in a United States Application for Letters Patent Serial No. 09/893,861 filed on June 28, 2001, which claims the priority of United States Provisional Application Serial No. 60/214,844 filed on June 28, 2000; and

WHEREAS, the ARIZONA BOARD OF REGENTS, a body corporate of the State of Arizona, acting for and on behalf the ARIZONA STATE UNIVERSITY, Tempe, Arizona 85287 (herein referred to as "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in, and to said invention, said application above-identified, and in, to and under any Letters Patent which may be obtained for said invention.

NOW THEREFORE TO WHOM IT MAY CONCERN:

BE IT KNOWN, that for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration received from ASSIGNEE, as set forth in ASSIGNEE'S current stated patent policy, the receipt of which is hereby acknowledged, we, the said ASSIGNORS have sold, assigned, transferred and set over to the said ASSIGNEE, its successors and assigns, the entire right, title and interest for the United States and all foreign countries, including the right to claim priority under the provisions of the International Convention from

the filing date of the above-named application, in and to said invention, and in and to any and all applications filed thereon, specifically the application hereinabove identified, and in, to and under any and all Letters Patent that may be granted on said application or for said invention.

AND We hereby covenant and agree for ourselves and our legal representatives, that we will assist ASSIGNEE without expense to ourselves or our legal representatives, in the prosecution of the application hereinabove identified, in the making and prosecution of any other applications, divisions, substitutions, renewals or reissues that the said ASSIGNEE may elect to make covering said invention, and in any interference, litigation or other proceeding that may arise involving said invention or application, or patents issued thereon, and that we will execute and deliver to ASSIGNEE any and all additional documents and papers and perform any further acts necessary to vest in ASSIGNEE the rights hereby conveyed.

AND the Commissioner of Patents and Trademarks is hereby authorized and required to issue all Letters Patent of the United States which may be granted upon said invention, applications, divisions, continuations, renewals and reissues, thereof, to the said ASSIGNEE, its successors and assigns.

Each of the Assignors hereby authorizes any member of the firm of Fennemore Craig, P.C. to insert or complete any information, including but not limited to the patent application

serial number, needed to effect this document's recordation in the United States Patent and Trademark Office.
